

Inventions

Personal Research

We would children to interview parents and/or grandparents to find out how inventions or new ideas have changed their lives

Here are a few examples of possible questions

What kind of school bag did you have and what was in it?

What kind of games or free time activities did you have as a child?

How many different kinds of machines did you have in the home when you were young?

As a child how did you get information about things that interested you?

What one invention or idea made the most impact upon your life when you were young?

What one invention would change your life now?

Maths

Practise your skills using Mathletics. Spend around 20 minutes each night on Mathletics to brush up your basic facts knowledge

Reading Log

Keep up your daily reading log - write down how many pages you read each evening.

From the teachers:

- Our Open Morning is Wednesday 16 August from 9.15 am - 10.15am. You are welcome to join us and see our classroom in action. Refreshments will be available in the hall from 8.50 am onwards.
- It is School's Peace Week. We will be doing some activities about this topic during the week.

Design an invention to help you get dressed and ready for school in the morning.

Use the New Inventors sheet to draw and explain your invention.

Choose a Home Reading book of your own from your group box. Over the week complete the Book Report to share with your classmates on Friday. We will put these reports in the Group Boxes to help your group choose a new book.
